

# HEALTHCARE ISOLATION BAGS

W. Ralston offers color coded, printed bags for Infectious Waste, Infectious Linen and Noncontagious Linen management.

Our printed Stock Isolation Bags are imprinted in English and French to help ensure complete understanding for safety and proper use.

Complete sanitary management is available in stock in Linear Low density and High Density-Custom.

They are available in a full range of sizes and strengths as well as featured with flat bottom seal.

Our Linear Low Isolation bags start with top quality resins and are carefully constructed to provide greater film strength.

This added film strength yields a bag with superior puncture and tear resistance.
