

# Reddi-2-Go™ Glove Rack System

## Features & Benefits

- Non-contact for easy dispensing
- Compact design creates a small footprint
- VBH tape allows for versatile mounting options on any glass, metal, or smooth surface without leaving residue
- Solid steel-welded construction
- Holds up to 300 gloves (three wickets)

## Applications

Perfect for foodservice preparation, restaurants, delis, bakeries, catering, supermarkets, gas stations, schools, and cafeterias.

## Reddi-2-Go™ Glove Rack System for Poly Gloves on Wicket

Product Code	Capacity	Straight Wire (inch)	Double Hook (inch)	Mounting Plate (inch)	Racks / Case	Wt. / Case (lbs)	UPC #
R2GO-RACK	Up to 3 wickets	6.0	3.14	6.0	1	1.0	7-62935~ 08921-4

## Installation Instructions

### Fastening Installation:

1. Clean contact surface prior to installation
2. Level the rack and mark centering holes
3. Remove rack and pre-drill holes using 1/8" drill bit (include mounting anchors if required)
4. Place rack over the holes and screw in using round head screws (round head screws 8" x 1.5-2.5" - not included)

### VBH Tape Installation:

1. Clean contact surface prior to installation
2. Level the rack and mark centering holes
3. Remove rack and peel off tape backing
4. Place rack over the mounting holes marked
5. Press rack firmly against surface for 20 seconds
